Annual Scientific Meeting in Anaesthesiology 2013

Jointly organized by the Hong Kong College of Anaesthesiologists and the Society of Anaesthetists of Hong Kong, the Annual Scientific Meeting in Anaesthesiology 2013 (ASM 2013) will be held on 16-17 November 2013 at the Hong Kong Convention and Exhibition Centre while an offsite pre-conference workshop will be held on 15 November 2013.

The theme of this year's meeting is "At the Crossroads". Over the years, our profession has been transforming in response to the advances in technology and the demand for improved perioperative outcomes. Every day, we are faced with numerous options from which we have to choose on behalf of our patients. We are standing at the crossroads in many aspects of our profession and it's time for us to get equipped for the future.

ASM 2013 has been one of the most important interaction platforms for the anaesthetists, intensivists and medical professionals in Hong Kong. An exhibition will also be held concurrently to show you the latest products and services offered by the Health Care Industry. More meeting information can be found at our website www.anaesthesiology.hk. Register NOW and See you at ASM 2013!
