Let's go Beyond the Theatre. This year, the HKCA and SAHK will collaborate with the Asian Society of Cardiothoracic Anesthesia (ASCA) to bring forth this world class meeting to discuss the most heated topics in Anaesthesia and Intensive Care. The theme this year is "Beyond the Theatre" and we'll be looking at the heated issues arising in perioperative period. With a specific focus in perioperative geriatric care, enhanced recovery and sedation, blood management and other cardiopulmonary management updates for everyone, we wish to bring you a diverse platform for experience sharing. There are limited quotas for our masterclasses, hands-on ultrasound workshops and problem-based learning sessions. There are also dedicated sessions for HKCA new curriculum, medical-legal forum and adventures in anaesthesia that tackle problems in difficult situation i.e. without oxygen and electricity.

Don't forget the ASM Congregation Dinner. Our theme is "Art and Anaesthesia", we will have vocal group showcase by our college fellows and residents. A photography competition will be held with photo exhibition. Stay tuned.
