Fellowship in Pain Medicine

Message from the Chair of Board of Pain Medicine

The Board of Pain Medicine has prepared a set of documents in relation to the development of the Fellowship Training Programme in Pain Medicine. These documents have been drafted by our Workgroup on Pain Medicine Training Programme and have taken into consideration the points of view of our fellows and members from our previous consultations and forums. They have been endorsed by the College Council and are planned to be submitted through the Council to the Hong Kong Academy of Medicine by the end of the year 2011. The development of a fellowship training programme is vital in the advancement of the field of Pain Medicine and we would value the input from our fellows and members. Please kindly send your comments and suggestions to us via email (office@hkca.edu.hk) or mail to the HKCA Office at Room 807, The HKAM Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.
