### **Revised CME/CPD Guideline for Cycle 2014-2016**

The revised HKCA CME/CPD programme for cycle 2014-2016 has been published on College's website. It can also be downloaded [here](#). The changes are highlighted in the document and also summarized below for your easy reference.

8.9 Editing or reviewing a manuscript for a peer-reviewed journal (such as Hong Kong Medical Journal or other indexed-journals) is accepted as a form of active CME/CPD.

8.9.1 Three points will be awarded to each manuscript edited or reviewed; and a maximum of 15 points may be accredited for each CME/CPD cycle.

8.9.2 Fellows have to keep their own record for editing or reviewing manuscript for peer-reviewed journals. The record, with journal's name, manuscript identification number and date, has to be submitted to CME Sub-committee for endorsement when fellows wish to claim CME/CPD points.

8.9.3 Prior approval from CME Sub-Committee is required if fellows wish to be awarded CME/CPD points for reviewing manuscript for non-indexed journals or academic institutions.

### **New Payment method for Settling the Subscription - PayPal**

The HKCA Council decided to offer PayPal to fellows and members for settling the subscription starting in 2014. Fellows and members using this payment method are required to bear the service fee charged by PayPal. The details of the payment method will be included in the debit note to be sent in 2014.

Service fee charged by PayPal (per transaction):

Member: HK\$37.5

Fellow: HK\$75

### **Annual Scientific Meeting in Anaesthesiology 2015**

The HKCA is calling for fellows and members who are interested in joining the ASM 2015 Organizing Committee. If you are interested to be part of the Organizing Committee in 2015, please do not hesitate to contact the College by sending an email to [kristy@hkca.edu.hk](mailto:kristy@hkca.edu.hk).

### **Annual Scientific Meeting in Anaesthesiology 2013**

The ASM 2013 was successfully held on 16-17 November 2013. The HKCA would like to take this opportunity to thank the Organizing Committee Members for their valuable time and contribution. The meeting would have never been successful without their efforts.

### **Instructor Sponsorship Programme**

To maintain and enhance HKCA ICS instructors' experience, quality and standards, ICS is going to sponsor instructors to participate in relevant conference/workshop/course. The maximum sponsored amount per financial year for each instructor is HK\$20,000.

For details, please check at [http://www.hkca.edu.hk/ICS/docs/ICS\\_Instructor\\_Sponsorship\\_Program.pdf](http://www.hkca.edu.hk/ICS/docs/ICS_Instructor_Sponsorship_Program.pdf) and application form could be downloaded at [http://www.hkca.edu.hk/ICS/docs/ICS\\_Sponsorship\\_Form2013.pdf](http://www.hkca.edu.hk/ICS/docs/ICS_Sponsorship_Form2013.pdf)

### **Medical Simulation: Trends and Applications (10-11 December 2013)**

The Simulation Conference "*Medical Simulation: Trends and Applications*", which marks the Opening of the Hong Kong Jockey Club Innovative Learning Centre for Medicine of the Hong Kong Academy of Medicine, will be held on 10-11 December 2013. The Centre serves to provide a platform and facilities for the post-graduate medical training in Hong Kong and beyond. The Conference is co-organized with The Center for Medical Simulation, based in Boston and led by faculty from Harvard Medical School. This conference is part of the 20th Anniversary Congress.

Overseas speakers from United States, Europe, Australia and China will share with us their experience on topics like Simulation as related to Patient Safety, Teamwork Training, Faculty Development, Undergraduate Curriculum Integration, and Humanitarian Crisis Training. Locally, our Paediatrics and Anaesthesia colleagues will share their simulation training experiences, and a Human Factors Specialist will share his experience about Crew Resource Management Training from the Aviation Industry perspective.

You are also welcomed to enroll in our workshops about Interprofessional Education, Non-technical Skills, and Simulated Patients; and to tour our Centre facilities of Virtual Reality, Procedural Skills and Scenario-based

Simulation Training during the Conference lunch hours.

Please visit our Conference web-site <http://hkjcilm.hk/> for further information and registration. Those who have already registered for the 20th Anniversary Congress need NOT register again, as registrants for the 20th Anniversary Congress will be entitled to attend this part of simulation programme.

### **Academy/College Fellow removed from Specialist Register**

At the Academy Council meeting on 12 September 2013, the issue of Academy/College fellow's removal from the specialist register (SR) of the Hong Kong Medical Council was raised. A number of issues were discussed at the Council meeting including: the role of Academy/College on the decision of SR removal, assistance from the Academy/College, the appeal process and reinstatement of membership. Please see the links on the minute of Academy Council meeting on September 2013 for detail and the amended Academy Bylaw 6A on

reinstatement of membership in November 2012 for reference.
